AUSRAIL

2026 Conference Program

08:00-18:00	AusRAIL exhibition open
09:00-10:30	Plenary session | Great Hall 3 and 4
09:00-09:05	**Welcome** | **Keegan Buzza**, *Conference MC*
09:05-09:10	**Welcome to Country** | **Refiti Tovi**, *Turrbal Community Member*
09:10-09:20	**The decade that will define the rail industry** | **Caroline Wilkie**, *Chief Executive Officer, Australasian Railway Association* From major infrastructure delivery and workforce capability to productivity, digital transformation, safety, sustainability and customer expectations, the rail industry is entering a period of significant change and opportunity. This 10-minute session will outline the key challenges ahead and the role industry must play in building a stronger, more connected and future-ready rail sector.
09:20-09:30	**Rail reality check** | **Keegan Buzza**, *Conference MC* INTERACTIVE SESSION Join this interactive industry pulse check to explore the biggest risks, opportunities and challenges shaping rail. Through live polling and audience participation, delegates will share their views on delivery, workforce, technology, customer expectations and investment, while industry leaders respond in real time to highlight where the sector agrees and where fresh thinking is needed.
09:30-10:00	**Five in Five: the national issues leaders need to watch** | **Peter Colacino**, *Chief Executive Officer, Australian Constructors Association* | **Michael Hopkins**, *Chief Executive Officer, NTC* | **Natalie Pelham**, *Chief Executive, ONRSR* | **Stephen Lemon**, *Executive Director National Technical Coordination, ARISO* | **Beata Lipman**, *Chief Executive Officer, Rail First* In this fast-paced executive briefing session, five industry leaders from across government, regulation and industry will each deliver a focused five-minute update on one critical issue shaping rail right now. This session is designed to give delegates a concise and practical view of the reforms, risks and emerging priorities for the industry and their businesses.
10:00-10:30	**Case study: LA Metro – lessons in growth, complexity and city-shaping investment** | **Stephanie Wiggins**, *Chief Executive Officer, Los Angeles County Metropolitan Transportation Authority* LA Metro CEO Stephanie Wiggins will share how one of the world's most complex transport networks is preparing for the 2028 Olympic and Paralympic Games. Drawing on major investment in rail expansion, integration, operations and customer experience, she will explore the lessons Australian rail can take from Los Angeles' rapid growth and city-shaping transformation.
10:30-11:15	Morning tea | AusRAIL exhibition
10:40-11:00	First-Time Attendees and Young Rail Professionals Meet-up | AusRAIL exhibition | Networking lounge 6

11:15-11:35	**Building the Olympic rail network** | **Kat Stapleton,** *Chief Executive Officer, Queensland Rail* | **Sally Stannard,** *Director-General, Department of Transport and Main Roads, QLD* | **Denis Masure,** *Managing Director, Australia & New Zealand, RATP Dev* Moderator | **Philippa McDonald**, *AusRAIL 2026 Plenary Facilitator* This candid fireside chat will explore how Queensland's rail sector is preparing for the transport demands of the Brisbane 2032 Olympic and Paralympic Games. Leaders will discuss infrastructure, operations, accessibility, resilience and customer experience, as well as the decisions needed to support long-term growth and create a lasting transport legacy.
11:35-12:05	INTERACTIVE SESSION **Running rail in the age of expectations** | **Martin Kearney**, *Chief Executive Officer, Auckland One Rail* | **Matt Longland**, *Chief Executive, Sydney Trains* | **Raymond O'Flaherty**, *Chief Executive Officer, Metro Trains Melbourne* | **Kat Stapleton**, *Chief Executive Officer, Queensland Rail* Moderator | **Philippa McDonald**, *AusRAIL 2026 Plenary Facilitator* Passenger rail CEOs will explore how operators are delivering reliable, safe and responsive networks as customer expectations and operational pressures increase. With live audience input, the panel will examine disruption management, workforce challenges, digital operations, customer trust and major event readiness, and consider what the high-performing railway of the future should look like.
12:05-12:30	**AI reality check – from hype to practical impact** | **Matt McInnes**, *Managing Director – Asia Pacific, Lynxx* | **Ryuji Uchikado**, *Head of Digital & AI Centre of Excellence, Hitachi Rail* | **Gonzalo Martinez Dalgado**, *Head of Customer Services ANZ, Siemens* Moderator | **Philippa McDonald**, *AusRAIL 2026 Plenary Facilitator* This panel will explore how AI is moving from experimentation to practical impact across the rail sector. Each speaker will share a real-world case study, covering what AI was expected to do, what actually happened, the challenges encountered, what improved and what they would do differently. Focused on practical lessons over future speculation, the session will give delegates a clearer view of where AI is already delivering value and what it takes to move from hype to implementation. Sponsored by HITACHI
12:30-14:00	Lunch | AusRAIL exhibition
14:00-14:30	INTERACTIVE SESSION **The rail capability challenge: the people powering rail's next decade** | **Bec Munn**, *Group Executive People Safety and Sustainability, Queensland Rail* | **Brad Giddins**, *Head of National Rail Skills Reform, National Transport Commission* | **Julian Sharp**, *Incoming Chair, TrackSAFE* | **Vanda Fortunato**, *Chief Executive Officer, Industry Skills Australia* Moderator | **Philippa McDonald**, *AusRAIL 2026 Plenary Facilitator* This interactive panel will examine how AI, automation and digital rail are reshaping workforce needs amid growing competition for talent. Through live polling and a capability draft, speakers will identify the skills rail must prioritise, where talent will come from, and how productivity, inclusion and clearer career pathways can support a stronger workforce strategy.

Program | **Tuesday 24 November**

14:30-14:55	INTERACTIVE SESSION **Ask industry leaders** | **Ian Quarrie**, *Chief Executive Officer, UGL Transport* | **Guillaume Tritter**, *Managing Director Australia and New Zealand, Alstom* | **Raphaelle Guerineau**, *Chief Executive Officer, Siemens* | **Carolyn Walsh**, *Chair, National Transport Commission* Moderator | **Keegan Buzza**, *Conference MC* In this candid, audience-led session, delegates can put their questions directly to senior rail leaders. With no formal presentations, the discussion will explore the key decisions and pressures shaping rail's future, including reliability, project delivery, workforce, AI, safety, investment, customer expectations and long-term reform. Sponsored by ALSTOM
14:55-15:25	**Outside track: three lessons rail can borrow from other sectors** | **Richard Cohen**, *Managing Director Safety and Technical Standards & Assurance, Rio Tinto* | **Duncan Roy**, *Chief Operations Officer, KiwiRail* | **Suzanne Tindal**, *Chair, KiwiRail* Moderator | **Philippa McDonald**, *AusRAIL 2026 Plenary Facilitator* Three industries, three different perspectives. Rail is not the only sector managing complex operations, critical assets, workforce pressure, customer expectations and major delivery risk. In this short, sharp session, three speakers from outside rail will each share one practical lesson from their sector and how it could apply to the future of rail. This session will offer fast insights into what rail can learn from others facing similar pressures.
15:30-16:05	INTERACTIVE SESSION **The great debate – are rail projects getting harder to deliver?** Moderator | **Jesse Baker**, *Director of Safety and Sites, Rail First* For | **Rebecca Want**, *Rail Lead ANZ, GHD (captain)* | **Peter Colacino**, *Chief Executive Officer, Australian Constructors Association* | **Carla Garvie**, *Commercial Director, Alstom* Against | **Melanie Bowden**, *Pre-Contracts Manager, John Holland (captain)* | **Treaven Martinus**, *Chief Executive Officer & Managing Director, Martinus* | **Alia Karaman**, *Project Director, Southwest Metro, Sydney Metro* Senior leaders from government, operators, construction and the supply chain will debate whether rail projects are becoming harder to deliver or whether the industry is creating its own barriers. The session will challenge assumptions around costs, productivity, procurement, risk, approvals, workforce and market capacity, and explore what must change to deliver future rail infrastructure successfully.
16:05-16:12	**The closing signal** | **Philippa McDonald**, *AusRAIL Plenary Facilitator* This day one wrap up session will bring together the key themes, insights and challenges raised across the conference program. This session will reflect on what we heard, highlight the commitments and questions that emerged, and consider what needs to happen next for the rail industry.
16:12-16:15	Conference closing | Keegan Buzza, Conference MC
16:00-18:00	Exhibition Networking Drinks | AusRAIL Exhibition
18:30-21:30	South Bank Sundowners (ticketed event) | Plough Inn, South Bank Sponsored by HITACHI

Program | **Wednesday 25 November**

Program | **Wednesday 25 November**

Concurrent Sessions					
Room	**M1**	**M2**	**M3**	**M4**	**P3**
11:15-12:35	**Workforce, skills and industry capability** Sponsored by National Transport Commission	**RTSA**	**Sustainability, decarbonisation and climate resilience**	**Digital rail, automation and innovation** Sponsored by HITACHI	**Satellite workshop** **AI-Led Project Delivery: Choose Your Own Rail Adventure** Sponsored by nPlan *All registered delegates are able attend this workshop*
11:15-11:35	**Challenges of leadership in middle management** **Fiona Love,** *Australasian Railway Association,* **Peter Lensink**, *Transdev Australia & New Zealand* **and Rahul Bahl,** *Layer 2 Intelligence* Moderator | **Rowan Gawne**, *Australasian Railway Association*	**Resolving integration and delivery with a T&C-based engineering approach** **Marios Kalyvas**, *Mott Macdonald*	**Turning Ambition Into Outcomes: Using Procurement to Deliver Low-Carbon, Circular and Resilient Infrastructure** **Bec Timmings**, *ConnellGriffin*	**AI-Driven Autonomous Asset Protection: Transforming Overhead Line Management with IntelliPan** **Jarek Rosinski and Jennifer Hudson**, *Transmission Dynamics*	
11:35-11:55	**An Industry Partnership, addressing the rail skill's shortage** **Steve Boshier**, *VIDA Rail*	**Metro Tunnel Project - Dynamic Testing Framework and Lessons Learned** **Jagjeet Mahal**, *John Holland*	**Valuing Ecosystem Services for Resilient Railway Infrastructure – a New Framework** **Monica Barker**, *AtkinsRealis*	**Fiber Optic Monitoring in rail corridors; Broken Rails, Rolling Stock, Flat wheels and Gentle Giants** **Mathew Cook**, *Hawk Measurement Systems*	
11:55-12:15	**Building Capability, Creating Careers** **Nataly Matijevic and Ashley Garlett,** *Alstom*	**Electromagnetic Compatibility in the FRMCS Era** **Bradley Smith**, *SYSTRA*	**Embedding circularity in the future of Australian rail** **Nathan Palairet**, *Aurecon*	**Bridging the Digital Gap – The Global and Australian Leap from GSM-R to FRMCS** **Hendrik Holz**, *SYSTRA*	
12:15-12:35	**From Design to Operations: Using Virtual Training to Build Rail Workforce Capability at Scale** **Michael Sparrow**, *WSP*	**Modern Methods of Construction in Rail Transport** **Amanda Kershaw**, *Architectus*	**Rail Freight Competitiveness - Is it just a matter of speed** **Colin Cole,** *Centre for Railway Engineering*	**Developing the strategy for deployment of Digital Train Control Technology across the National Network for Interoperability** **Bill Palazzi**, *Palazzirail* **and Jonathan White**, *ARTC*	
12:30-14:00	Lunch | AusRAIL exhibition		Lunch | AusRAIL exhibition		

Program | **Wednesday 25 November**

Concurrent Sessions			Concurrent Sessions		
Room	**M1**	**M2**	**M3**	**M4**	**P3**
14:00-15:20	**Customer, Community and Passenger Experience** Sponsored by acciona	**PWI**	**Safety, security and network resilience**	**Innovation in construction and infrastructure**	
14:00-14:20	**Beyond GoLive: Rethinking Customer Experience** **Roger Weeks**, *NSW Trainlink*	**Improving Safety and Possession Efficiency Through Motorised HV Isolation** **Laura Hayes**, *Australian Rail Technology*	**Implementing an Operational Systems centric Cybersecurity Operations Centre for a driverless metro system** **Ralph Heredia**, *RATP Dev*	**Lessons from Global High-Speed Rail Delivery: Applying HS2 Experience to Australia's East Coast High-Speed Rail Program** **Andrew Byrne,** *Acuity Australia* **and Matthew Bate**, *Seymour Whyte*	
14:20-14:40	**Co-designing Queensland's most accessible trains – a collaborative journey with the project working group** **Frances Dodd**, *Queensland Train Manufacturing Program*	**Testing of an Alternative Broken Rail Technology** **Roy Leslie**, *Siemens Mobility*	**Cyber Security in Modern Rail: From Closed Networks to Connected OT** **Hayden Cooke**, *John Holland Group*	**Mind the Grind** **Ramsha Asif and Stephen Baker**, *Siemens Mobility*	
14:40-15:00	**Expanding strategic beautification across New Zealand's metros** **Scarlett Dellow**, *KiwiRail*	**Off Structure Beams – Value Engineering and Delivery** **Nic Jaramillo**, *Martinus*	**Trilogy of loco rollovers: mitigating evacuation hazards under all anticipated scenarios** **Rod Visman**, *ATSB*	**Introduction of CBTC and the benefits to the Melbourne Metropolitan timetable** **Garrie Napier and Phil Costin**, *Metro Trains Melbourne*	
15:00-15:20	**Delivering a new era in rail: Enhancing Passenger Experience Through Queensland Rail's Station Upgrades** **Mitch Carr**, *Queensland Rail*	**Accelerating Mega Project Procurement Through Targeted Commercial Efficiencies and Governance Foresight** **Genevieve De Michele,** *Wave (Rail)*	**Security Culture in Rail: Are Our Everyday Behaviours Matching Today's Adversarial Threats?** **Claire Greaves**, *Humanitex*	**Driving Efficiency and Sustainability Through Innovation: Modern Construction Approaches in Queensland Rail's Station Upgrades** **Andrea Kriss**, *Queensland Rail*	
15:20-16:00	Afternoon tea | AusRAIL exhibition		Afternoon tea | AusRAIL exhibition		

Program | **Wednesday 25 November**

Concurrent Sessions			Concurrent Sessions		
Room	**M1**	**M2**	**M3**	**M4**	**P3**
16:00-17:00	**Rolling Stock – Design, Build and Maintain**	**IRSE**	**ONRSR**	**New Zealand**	
16:00-16:20	**Australia's first Light Rail Vehicle retrofit** **Andrew Pearce**, *CMET*	**ETCS for the Olympics: Technology, Interoperability and the Sector 1 Rollout** **Daniel Moore and Nick Terry**, *ETCS*	**Critical Risks Compliance Program** **Dane Newton**, *ONRSR*	**Delivering CRL Programme Readiness in the context of major Public Transport reform and Organisational Change** **Alan Trestour**, *Auckland Transport*	
16:20-16:40	**Australian rolling stock manufacturing – joined at the seams?** **Guy Collishaw**, *Taylor Airey*	**Scaling ETCS delivery in South East Queensland** **Brenton Atchison**, *BMATCH Consulting*	**Level Crossing Safety and Drug and Alcohol Programs** **Andrew Mogg**, *ONRSR*	**Bringing the Auckland City Rail Link to Life: The Operator's Perspective** **Martin Kearney**, *Auckland One Rail*	
16:40-17:00	**Next Steps for Victoria's Train and Tram Networks: Rolling Stock and Systems Integration** **Mary Roe**, *VDTP*	**Implementing electronic movement authorities on the ARTC and Inland Rail networks** **Graham Hjort**, *4Tel* and **Geoff Wickens**, *ARTC*	**Data and Insights: 2025-26 in review and beyond** **Richard Butler and Hassan Raisianzadeh**, *ONRSR*	**KiwiRail project update** **Peter Reidy**, *KiwiRail*

Social program

Exhibition networking drinks

The exhibition networking drinks offer a vibrant opportunity to connect with exhibitors and industry peers on the exhibition floor. Enjoy drinks, food and conversation in an informal setting as the exhibition comes alive at the end of the conference day.

Time: 16:00-18:00

Date: Tuesday 24 November 2026

Location: AusRAIL exhibition, BCEC

Tickets: Included for registered delegates, sponsors and exhibitors

Additional tickets: $99

Dress code: Business casual

AusRAIL 2026 fun run and walk

Start your final AusRAIL day with a fresh perspective. Join fellow delegates for a guided 5km run or 3km walk along the Brisbane River – a relaxed, free activity and an easy way to enjoy the morning while connecting with colleagues.

Time: 06:30-07:30

Date: Wednesday 25 November 2026

Location: Departing from BCEC (meet at the AusRAIL registration desk at 06:15)

Tickets: Free to attend

Sponsored by acciona

South Bank sundowners

Close out day one at South Bank Sundowners, a relaxed three-hour networking event featuring drinks, great food and tropical Queensland vibes. Catch up with familiar faces and make new industry connections in an easy, laid-back setting.

Time: 18:30-21:30

Date: Tuesday 24 November 2026

Location: The Plough Inn, South Bank

Tickets - ARA member rate: $198

Tickets - Non member rate: $233

Dress code: Business casual

Sponsored by HITACHI

Yellow dinner

The Yellow dinner is one of the most anticipated events on the AusRAIL calendar. Dress with a touch of yellow and enjoy a lively evening of networking, entertainment and great company as the rail community comes together for a truly memorable night.

Time: 19:00-23:30

Date: Wednesday 25 November 2026

Location: Plaza Ballroom, BCEC

Tickets: Sold out

Dress code: Business or smart attire, with a splash of yellow

Sponsored by ALSTOM
